

## Comfort and Convenience Features

The heating and air conditioning systems in your Honda provide a comfortable driving environment in all weather conditions.

The standard audio system has many features. This section describes those features and how to use them.

*On all models except for 4-cylinder LX model*

Your Honda has an anti-theft audio system that requires a code number to enable it.

Navigation Systems are available on U.S. models only.

The security system helps to discourage vandalism and theft of your Honda.
