Technology Reference Guide

The Technology Reference Guide is designed to help you get acquainted with your new Honda and provide basic instructions on some of the technology items.

This guide is not intended as a substitute for the Owner’s Manual. For complete information on vehicle controls and operation, please refer to the respective sections in the Owner’s Manual.

As with the Owner’s Manual, this guide covers all trim levels of the CR-V. Therefore, you may find descriptions of equipment and features that are not on your particular vehicle.

**Auto Door Locks**

**Default Lock Setting**

The doors and tailgate are preset to lock when your vehicle reaches about 10 mph.

**Default Unlock Setting**

Only the driver’s door is preset to unlock when you shift into Park (P).

---

**Programming the Auto Door Unlock Setting**

To program all doors and the tailgate to unlock when you shift to Park:

1. **Close** the driver’s door. **Shift** into Park.
2. **Turn** the ignition switch to **ON** (II).
3. **Press and hold** the unlock side of the master lock switch for about 10 seconds. In that time, you will hear three clicks.
4. Within 5 seconds, **turn** the ignition switch to **LOCK** (0).

---

**Programmable Auto Door Lock/Unlock Settings**

Below are the options you can choose. See Auto Door Locking/Unlocking in your owner’s manual for instructions on programming these settings.

**INSTRUMENT PANEL INDICATORS**

- **Malfunction Indicators**
  - If an indicator remains on, there may be a problem; see your dealer

- **On/Off Indicators**
  - PASSENGER AIRBAG OFF
  - Immobilizer Flashes: improperly coded key; use correct key
  - SIDE AIRBAG OFF
  - Headlights on
  - VSA OFF
  - Turn signals/hazards on
  - CRUISE MAIN on
  - High beams on
  - CRUISE CONTROL on

- **Condition Indicators**
  - Action is needed by driver
  - BRAKE
  - Parking brake on: Release
  - BRAKE
  - Door/Tailgate open: Close door(s) / tailgate
  - BRAKE
  - Seat belt reminder: Fasten seat belt(s)

- **Briefly appear with each engine start. Red and amber indicators are most critical. Blue and green indicators are used for general information.**
**INFORMATION DISPLAY**

Consists of several displays that provide you with useful information.

**Accessing the Information Display**

When you start the engine, the information display shows your last active selection from the previous drive cycle.

To toggle between the different displays, press and release the select/reset knob repeatedly.

**Information Displays**

- Instant MPG, Odometer, Trip meter A
- Instant MPG, Average MPG, Fuel range, Trip meter A
- Instant MPG, Oil life
- Instant MPG, Average MPG, Fuel range, Trip meter B

---

**TIRE PRESSURE MONITORING SYSTEM (TPMS)**

Monitors the vehicle’s tire pressures.

**How It Works**

**What to Do**

1. Visually inspect the tires for damage.
2. Use a tire air pressure gauge to check which tire(s) have low pressure.
3. Inflate the tire(s), if necessary, to the recommended pressures listed on the label on the driver’s doorjamb.

- Each tire valve stem contains a TPMS sensor.
- When the tire pressure drops significantly below recommended levels, the low tire pressure indicator comes on.
- If the TPMS indicator appears, there may be a problem with the system. See your dealer.
IPOD® OR USB FLASH MEMORY

Play audio files from your compatible iPod or USB flash memory device through your vehicle’s audio system.

Connecting Devices and Playing Audio Files

1. **Pull out** the USB adapter cable from the upper glove box.

2. **Connect** the USB connector to your iPod dock connector or flash drive.

3. **Push** the AUX button or **touch** the USB icon to begin playing.

4. **Press** the SKIP buttons to change tracks.

PC CARD (models with navigation)

Play audio files from your compatible PC card through your vehicle’s audio system.

Connecting Devices and Playing Audio Files

1. **Press** OPEN.

2. If necessary, **insert** your PC card into a PC card adapter.

3. **Insert** the PC card into the slot and **press** CLOSE.

4. **Press** AUDIO to show the audio display. **Press** the ▶️ and ◀️ buttons to skip through tracks on the card.

REARVIEW CAMERA (models with navigation)

For added convenience, the area behind your vehicle is displayed to help you navigate while backing up.

How It Works

- When you shift into Reverse, a real-time image of the area behind your vehicle is shown in the navigation display.
- The display turns off when you shift out of Reverse.
**VOICE RECOGNITION (if equipped)**

**Key Functions by Voice Command**

Control three different systems with the steering wheel buttons and the ceiling microphone.

- **HFL Talk button**: Give HFL commands or answer incoming calls.
- **Navi Talk button**: Give navigation, audio, and climate control commands.
- **Navi Back button**: Cancel a command or return to the previous screen.
- **HFL Back button**: End a call, go back to the previous command, or cancel an operation.

**Voice Command Tips**

- **Press and release** the HFL or Navi Talk button, wait for a beep, then give a command.
- For a list of available HFL commands, **press and release** the HFL Talk button and **say** “Hands-free help.”
- For a list of available navigation commands, **press and release** the Navi Talk button and **say** “Help.”
- Speak in a clear, natural voice.
- Reduce all background noise.
- Adjust the dashboard and side vents away from the microphone in the ceiling.
- Close the windows.

To keep your eyes on the road and hands on the wheel, use voice commands for hands-free calling, navigation, audio, and climate control. For a full list of commands, say “Information” and “Voice Command Help.”
Commonly Used Voice Commands

Here are some examples of commonly used voice commands. Try some of these to familiarize yourself with the voice command system.

Press and release the Navi Talk button before you give a command.

Locate Points of Interest

Say a command like “Display restaurant” to see restaurant icons appear on the map.

Say a command like “Display gas stations” to see gas station icons appear on the map.

Press and release the Navi Talk button before you give a command.

Make Audio Selections

Say a command like “Radio 97.1 FM” to select that station.

Say a command like “CD play track 1” to hear that song on a currently inserted CD.

Press and release the Navi Talk button before you give a command.

Get Navigation Route Information

After a destination is entered, say “How far to destination?” to hear the remaining distance.

Say “Display entire route” to see the routing method the system mapped for your destination.

Press and release the Navi Talk button before you give a command.

Adjust the Vehicle’s Climate Setting

Say a command like “Air conditioner on” to start the air conditioning system.

Say a command like “Fan speed 4” to adjust the fan speed.
Here are some examples of commonly used voice commands. Try some of these to familiarize yourself with the voice command system.

**General Commands**  
(Accepted on most screens to change displays)
- Display map
- Display menu
- Information
- Display audio screen
- What time is it?

**Find Place Commands**  
(Accepted on Map screen)
- Find nearest:  
  - ATM
  - gas station
  - Mexican restaurant
  - hospital
  - bank
  - post office

**Navigation Commands**  
(Accepted on Map screen)
- How long/far to destination?
- Display destination
- Display entire route

**Display Commands**  
(Accepted on Map screen)
- Display/Hide:  
  - ATM
  - gas station
  - restaurant
  - post office
- Display north up/heading up
- Zoom in/out
- Go home
- Display current location

**Audio Commands**  
(Accepted on most screens)
- Radio on
- Radio # FM/AM
- Radio preset 1/2/3/4/5/6
- XM channel #
- XM preset 1/2/3/4/5/6
- CD play
- CD play track #
- CD skip forward/back
- Auxiliary (AUX) play

**Setup Commands**  
(Accepted on Setup screen)
- Brightness up/down
- Volume up/down/min/max/off
- Guidance prompts
- min/normal/max

**Climate Control Commands**  
(Accepted on most screens)
- Air conditioner on/off
- Rear defrost on/off
- Climate control recirculate/fresh air
- Fan speed up/down
- Temperature # degrees (# = 57–87)
- Temperature max hot/cold

**Help Commands**  
(Accepted on most screens)
- Help (list of available commands for current screen)
- Voice command help (from INFO screen - list of all available navigation, audio, and climate control commands)
NAVIGATION (if equipped)

Real-time navigation system uses GPS and a map database to show your current location and help guide you to a desired destination.

Entering a Destination

Using Voice Control

Press and release the Navi Talk button before you give a command.

1. Say “Display menu” and “Address.”

2. Say “Street” followed by the street name. Do not include the direction (N, S, E, W) or type (St., Ave., Blvd., etc.).

3. A list of street names appears. Say the number next to the street you want to select.

4. Say the entire street address number. For example, “1-2-3-4.”

5. If the street address is in more than one city, a list of city names appears. Say the number next to the city you want to select.

6. The system calculates the route and displays the “Calculate route to” screen. Say “OK” to set the route.

Using the Find Nearest Command

Try these simple steps to find a nearby point of interest, such as a gas station, movie theater, restaurant, etc.

Press and release the Navi Talk button before you give a command.

1. Say “Find nearest ATM.”

2. A list of the nearest ATMs in your area is displayed by shortest distance to destination.

3. Say the number next to the destination you want to select.

4. The system calculates the route and displays the “Calculate route to” screen. Say “OK” to set the route.

Map Screen Legend

- Direction of destination
- Distance to go
- Time to go
- Calculated route
- Current vehicle location
BLUETOOTH® HANDSFREELINK® (if equipped)

Pairing Your Phone

**HFL Talk button**: Give HFL commands or answer incoming calls.

**HFL Back button**: End a call, go back to the previous command, or cancel an operation.

Press and release the HFL Talk button before you give a command.

1. **Enable** "Discovery" or "Search" mode on your compatible phone.
2. **Say** "Phone setup," then **say** "Pair."
3. HFL gives you a four-digit code and begins to search for your phone.

4. **Search** for a HandsFreeLink device from your phone, and connect to HFL.
5. **Enter** the four-digit code on your phone when prompted.
6. HFL asks you to name the phone. For example, **say** "Mary's phone."

Making a Call

Press and release the HFL Talk button before you give a command.

1. **Press** the HFL Talk button, and **say** "Call" or "Dial" and the desired phone number.
2. **Press** the HFL Talk button, and **say** "Call" or "Dial" to continue.
3. The call is connected and heard through the vehicle’s speakers.

Receiving a Call

1. A notification is heard and the HandsFreeLink display appears on the screen.
2. **Press** the HFL Talk button to accept the call.
3. **Press** the HFL Back button to end or decline the call.

Place and receive phone calls through your vehicle’s audio system. Visit handsfreelink.honda.com to check if your phone is compatible.
**HFL Phonebook**

Store up to 50 names and their phone numbers, which can be used as speed dials.

Press and release the HFL Talk button before you give a command.

1. **Say “Phonebook.”**
2. **Say “Store.”**
3. **Say the name of the contact, and then the phone number.**
4. **To call a contact once an entry is stored, say “Call Mike.”**

---

**Cellular Phonebook** *(models with navigation)*

Import your entire cell phone’s address book to the navigation system.

Press and release the Navi Talk button before you give a command.

1. **Say “Display Information” and “Cellular Phone.”**
2. **Say “Import Cellular Phonebook.”**
3. **HFL begins to import your contacts to the system.**
4. **To call a contact, say “Search Imported Phonebook” and select the name and number.**

*not available on all phones

---

**OWNER LINK**

Owner Link allows you to explore features and technologies specific to your vehicle, schedule service appointments, obtain and update maintenance and service records, manage your financial services account, and access other useful information. Register at www.owners.honda.com to ensure that you continue to enjoy the experience of owning a Honda.
SAFETY REMINDER

Your vehicle is equipped with airbags. Airbags do not replace seat belts; they add to the protection offered by seat belts. Airbags can help protect you in some types of collisions, but they do not provide protection in all collisions.

Always make sure you and your passengers wear seat belts, and that young children are properly secured in a child seat or booster in the rear seat. Never place an infant seat in the front passenger's seat as the force of a deploying airbag can seriously injure an infant.

FUEL RECOMMENDATION

- Only use unleaded gasoline of 87 octane or higher.
- Some gasoline in North America contains MMT, a manganese-based fuel additive. Prolonged and consistent use of gasoline containing MMT can deteriorate your vehicle's performance, fuel economy, and the emissions control system. Always use MMT-free gasoline if available. Failures caused by use of gasoline containing MMT may not be covered under warranty.

"TOP TIER Detergent Gasoline" meets a new gasoline standard jointly established by leading automotive manufacturers to meet the needs of today's advanced engines. In most cases, qualifying gasoline retailers will identify their gasoline as having met "TOP TIER Detergent Gasoline" standards at the retail location. This fuel is guaranteed to contain the proper level of detergent additives and be free of metallic additives. This helps avoid build-up of deposits in your engine and emission control system. Because the level of detergent and harmful metallic additives (such as MMT) in gasoline vary in the market, Honda endorses the use of "TOP TIER Detergent Gasoline" where available to help maintain the performance and reliability of your vehicle. For more information, visit www.toptiergas.com.

- For further important information on fuel and lubricants for your car and information on gasoline that does not contain MMT, contact your dealer or visit Owner Link at www.owners.honda.com.
